1.3.3 Total points accumulated will determine the match placement by division.

1.3.4 Ties will be broken by an undisclosed Tie Breaker Stage designated by the Range Master or Match Director.

If moved, their match scores will be adjusted accordingly per Rule 1.3.

1.4.4.3 If the Open Division has less than 3 competitors, the division will not qualify for awards and/or recognitions due to the equipment rules of the Open Division that is not allowed in any other divisions.

1.4.4.5 If the Tactical Carbine Division has less than 3 competitors, the division will not qualify for awards and/or recognitions due to the unique course of fire modifications and limitations on long range target engagements for the division.
